## Our Services

01

### Man power supply

We offer skilled and reliable manpower solutions to meet the workforce needs of various construction

02

### Equipment Rental

We provide high-quality equipment rental options that are suited to your specific requirements.

03

### Material Trading

We offer reliable solution in Civil, Mechanical, E&I and consumable material trading for every project needs.

04

### MEP Works

Expert solutions in Mechanical, Electrical, and Plumbing—start to finish.

# Dhi Altaisir Establishment

مؤسسة ضي التيسير

## Our Services

05

### Mechanical Works

We provide Expert Mechanical Works with Unmatched Quality, Safety, and Specialized Piping Solutions

06

### Electrical & Instrumentation

Providing High-Quality Electrical and Instrumentation Solutions with a Commitment to Safety and Accuracy

07

### Civil Works

We Deliver Civil Works with Precision and Excellence – From Site Preparation to Structural Development

## Manpower Supply

Providing reliable manpower solutions, including staffing, industrial labor, security services. — all at competitive rates.

Skilled workers are selected based on technical needs, ensuring quality performance.

### -ENGINEERS:

- Mechanical
- Electrical
- E&I
- Civil
- Planning Engineer

### -CIVIL WORKFORCE:

- Plumber
- Carpenter
- Electrician
- Steel Fixer
- Scaffolder
- Painter

### -ELECTRO-MECHANICAL :

- Welding Inspector
- QA/QC Inspector.
- Instrument Technician.
- Millwright Technician.
- Piping Fabricator.

### -OPERATORS:

- Forklift Operator
- Excavator Operator
- Boom Truck Operator
- Manlift Operator
- Heavy DriverLevel

### -SUPERVISORS:

- Steel Structure
- Piping Supervisors
- HAVC Supervisors
- Civil Supervisors
- Electrical Supervisors
- HSE Supervisor

## Equipment Rental

Offering a wide range of well-maintained heavy machinery—such as excavators, bulldozers, loaders, and cranes—to support construction and industrial projects. Flexible rental options and technical support

Looking to rent equipment for your project?

- Forklift
- Boom truck
- Mobile cranes
- RT Cranes
- Telehandler
- Scissor lift

- Excavators
- DumpTrucks
- WheelLoaders
- Bobcat
- Backhoe Loader
- Roller

- Dozers
- WaterTanker
- Diesel Tanker
- Graders
- Passenger bus
- Sedan,SUV's4x4

# Material Trading

Reliable supply of high-quality construction materials such as office maintenance materials, civil materials, mechanical & piping materials, E&I materials and camp materials supply.

## **-Our salient features include:**

Premium Quality Materials – We supply top-grade materials that meet industry standards.

Wide Range of Products – From aggregates to steel and concrete, we provide comprehensive material solutions.

Reliable & On-Time Delivery – We ensure timely supply to keep projects running smoothly.

Cost-Effective Solutions – We offer competitive pricing without compromising on quality.

Sustainable & Eco-Friendly Sourcing – We prioritize environmentally responsible material procurement.

## MEP Works

Our company specializes in comprehensive MEP (Mechanical, Electrical, and Plumbing) services, delivering fully integrated building systems that ensure functionality, safety, and sustainability. With deep expertise and a skilled team, we provide end-to-end solutions from design and installation to testing and commissioning.

### Our MEP services

#### Mechanical Works

- HVAC(Heating, Ventilation & Air Conditioning) Systems
- Chilled Water Systems
- Ducting, Insulation & Ventilation
- Firefighting Systems (Sprinklers, Hydrants, Pumps, etc.)

#### Electrical Works

- Internal & External Lighting Systems
- Power Distribution & Control Systems
- Earthing & Lightning Protection
- Low Voltage (LV) and Extra-Low Voltage (ELV) Systems

#### Plumbing & Public Health

- Cold & Hot Water Supply Systems
- Drainage & Sanitation Systems
- Water Treatment & Pumping Systems
- Rainwater Harvesting Solutions

## Mechanical Works

### Equipment and Steel Structure Erection:

Providing high-quality erection services for industrial and

#### Scope of Services:

- Erection of structural steel frameworks
- Supply and installation of pre-engineered buildings (PEB)
- Installation of industrial equipment and temporary facilities
- Fabrication and erection of complex steel structures

#### Mechanical and Piping Works:

- Welding techniques: SMAW, GTAW, TIG, MIG, FCAW
- Spool prefabrication for large diameter pipes
- Hydrotesting and leak testing for all pipe networks

# Dhi Altaisir Establishment

## Non-Metallic Piping Systems:

- Specialized installation of HDPE, FRC, PVC, and RTR piping
- Joint types: Butt & strap joints, double bell couplings, flange joints
- Above-ground and underground HDPE/FRP tank and piping installations

## Core Strengths:

- Specialized installation of HDPE, FRC, PVC, and RTR piping
- Joint types: Butt & strap joints, double bell couplings, flange joints
- Above-ground and underground HDPE/FRP tank and piping installations

## Electrical & Instrumentation

Electrical and instrumentation projects involve power lighting and communication systems, executed with precision and safety. Success depends on skilled teams, modern tools and strict adherence to design.

### **-GROUNDING & LIGHTING WORKS:**

- Cabling, Splicing & Termination (LV, MV, HV)
- Cable Trenching EXCAVATION & Preparation
- Cable Laying
- All Types of Cable Testing
- Cable Termination and Splicing

### **-POWER WORKS:**

- EQUIPMENT Installation
- Transformer Field Assembly
- Power Switches and Gears
- UPS, Rectifiers, Inverters
- Industrial Batteries

### **-GENERAL WORKS:**

- Survey and Estimates
- Field Design Work
- Equipment Installation
- Cable Tray Installation
